

THE EMERGING LEADER®

Design Engineer

As a member of the R&D Team, the Engineer is responsible for all facets of an R&D project including: research, CAD design, prototype development. You must possess confidence, imagination, initiative, creativity, and have a desire to continuously learn. You will be goal oriented and have good communication and organizational skills.

Successful candidate will possess a degree in Mechanical Engineering or Agricultural Engineering with 2-3 years experience and knowledge of current farming practices and equipment. You will be a self starter; have ability to meet timelines and goals; and have the ability to work as a member of our team.

Please submit your resume, in confidence to:

Seed Hawk Inc.
