

Come work for an International Leader, right here in Saskatchewan and close to home!

Due to ongoing and increasing demand for our state of the art zero tillage seeding systems, we are currently recruiting:

WELDERS

As a Welder you are responsible for working as a member of a team to weld different components for our machines. You will have formal or informal experience welding. We require a base of knowledge, but are willing to train those candidates that show promise. A Journeyman Welder is an asset and will be compensated to reflect your education and experience.

Seed Hawk offers a competitive wage, benefit package, pension plan and employee awards. We are an exciting and expanding Saskatchewan company!

If you are looking for employment with a growing company enjoying a wide range or success, please forward your resume to:
